Community Pals Program

CAWSC has an exciting opportunity to raise money. Winn Dixie's Community Pals Program offers us the chance to raise funds to use any way we choose. Any family who buys groceries at Winn Dixie can participate and help us.

All you have to do is have the cashier scan both the attached coupon and your Customer Reward Card at any participating Winn Dixie. From that point on, everytime you scan the card, the total of your order will be credited to CAWSC.

Winn Dixie Community Pals Coupon

If you don't already have a Customer Reward Card, you can get one at any Winn Dixie store.

CAWSC can earn up to \$7200 per year. All we need is your help to make it a success!

If you need additional coupons for friends, please contact the office at 924-7506.

Thank you for your support!
